

2019 New York State Manufactured Housing Certification Courses

Sponsored by the New York State Department of State and New York Housing Association

Requirements to become certified in New York State as a manufacturer, retailer, installer or mechanic include financial responsibility, experience, education, initial training and in some cases, a written examination. Requirements vary with each type of certification. Prior to beginning any training, all applicants should read the **Manufactured Housing Laws & Regulations Part 1210**. Here is the link:
<https://www.dos.ny.gov/DCEA/pdf/Part1210.pdf>

8:30 a.m. Registration

9 a.m. – 12 p.m. 3-Hour 21B Introductory Course
Course Fee: \$95.00 per person for Association Member
\$125 per person for Non-Member

Required training for manufacturers, retailers, communities that sell homes, installers and mechanics

Course fee includes class material and related expenses. Overnight accommodations are not included.

9 am – 4 pm 6-Hour Mechanics Cert. Course
Course Fee: \$195.00 per person for Association Member
\$225 per person for Non-Member

This course begins with the 3-Hour 21B Introductory Course, moves into the Mechanics Course and concludes with an exam. There will be brief breaks during the course. Course fee includes 21B course, class material and related expenses, and breaks. Overnight accommodations and lunch are not included.

Installers Training Available Online. To register, visit <http://mhei.mycourse.com> – click on New User button in the upper right corner. Be sure to choose the New York Course. The \$275 registration fee includes the course guidebook, 21B Introductory Course registration fee and final exam. Once successfully completed, you will need to register for an onsite 21B Course and take the final written exam. Call the Association office for details.
